2021 EMPLOYER RETURN CONTRIBUTION DAY CALENDAR FOR A STANDARD 5 DAY WEEK

FEBRUARY

The time saving way to calculate contribution days.

Returns are distributed to Employers registered with MyLeave The calendar enables the calculation of:at the end of every three-month period. They must be completed and submitted with payment to MyLeave by the due date for the return period.

The aim of this calendar is to assist employers to calculate the number of contribution days to be shown on the Return for workers who were engaged in eligible construction work as defined (See website for further details).

- The number of contribution days from the start of a period to a cease date: - for employees who have ceased during a period.
- The number of contribution days from a start date to the end of a period: - for employees who have commenced during a period.

See for yourself how easy it is to use.

For example, a worker who ceased work on the 15th of January would have a maximum of 11 contribution days for Period One.

A worker who started work on the 22nd of January and worked until the end of March would have a maximum of 49 contribution days for Period One.

For information on how to complete your Employer Return, please contact MyLeave on the details provided.
